2-DEFINITION OF AN AREA SERVICE COMMITTEE

An Area Service Committee (ASC) is a committee made up of representatives (GSRs) from groups within a designated area, which meets monthly for the express purpose of serving the specific needs of its member groups.

The most important service, which an ASC provides, is that of supporting its member groups. Whenever a group has a specific situation or need which has not been able to handle on its own, it can come to its ASC for help. These situations are almost limitless in scope; however we have learned that we can get much accomplished when we work together.

An ASC performs other functions that are of help to the groups. It can help groups get started or give aid to floundering groups. It may hold workshops or seminars to train trusted servants. It can look for potential places to keep a stock of literature that the groups can purchase. The point is that an ASC handles whatever functions are necessary or helpful to its groups.

MIDCOAST AREA POLICY UP TO AND INCLUDING SEPTEMBER 2019

In order to provide these services, ASC needs the active participation of its GSRs. A group supports its ASC both financially and emotionally. It takes money to provide these services. It is a group's responsibility to offer the support. However, as an Area grows, the financial needs of the committee also grow. In order to provide a full line of services it requires a steady, reliable flow of money. Some areas provide these funds through activities. These alternate courses of financial support are helpful, but the bulk of the responsibility still falls on the members of a group.

The active participation of each group representative is essential for a successful ASC. Each GSR must keep their own group informed and must represent that group's conscience in all committee decisions. GSRs should evaluate each vote in terms of the needs of those they serve and the needs of N. A. as a whole in the area they serve. In addition to this, a GSR participates in helping carry out the ASC's other functions. The attraction of new members, the planning and implementation of activities and the aid given to groups with specific situations are services that require much more effort than a monthly meeting.

In order to coordinate its services, each ASC elects officers yearly. Leadership and the ability to organize give the committee direction and the incentive must come from its officers. Upon election, the officers shall resign as GSRs. Their groups then elect new representatives, thus ensuring all groups equality of representation.

14-HOSPITALS & INSTITUTIONS SUBCOMMITTEE

Welcome to Hospitals & Institutions. - Many of us who are now recovering in Narcotics Anonymous first heard the message of recovery while we were in a hospital or institution. Carrying the message of Narcotics Anonymous with H&I is a great way to give back what has been so freely given to us.

We of this service body acknowledge the vital importance to carry the message through our experience, strength, and hope recognizing our responsibility to support and facilitate the growth of the H&I effort in the South Florida Region. It is for this purpose that we have created the H&I sub-committee from the Regional Service Committee. - Thank you for choosing H&I.

Chairing an H & I meeting is very different from a regular outside meeting. This packet has been designed to familiarize you with the H&I sub-committee policies and help guide you in carrying the message to addicts in hospitals, jails or institutions. The H&I sub-committee is directly responsible to those they serve in the mid-coast area and the A.S.C., and must comply with all its policies. These guidelines are a part of that policy, but in the areas not covered we shall use the *Hospitals and Institutions Handbook*. These are guidelines and are not meant to be restrictive, but rather as a protection.

Our responsibility as an H & I member is to carry the *Narcotics Anonymous* message into hospitals and institutions where an open meeting is not possible, due to rules or regulations that conflict with our traditions. This committee initiates, sponsors and conducts H & I meetings but may use other methods, such as distributing literature and meeting lists to make recovery more available to the addicts in these facilities. The H & I subcommittee of the Mid-coast area of men and women and members of Narcotics Anonymous believe in this concept: *To assure that no addict in hospitals, institutions or jails seeking recovery need die without having had a chance to find a better way of life, from this day forward may we provide the necessary services.*

There are clean time requirements for the express purpose of carrying a clear message of recovery. Let this not deter you if you are not up to clean time yet; keep coming to our sub-committee meetings to see how we do things and show your willingness.

Clean time requirements are as followed:

- a. Six months clean to speak at a meeting
- b. Nine months or more to chair a meeting
- c. Some facilities have their own time guidelines.

The service structure of our committee:

- d. Chairperson: elected by the area service committee
- e. Vice-chairperson: elected within the H & I sub-committee
- f. Secretary: elected within the H & I sub-committee
- g. Literature chair: elected within the H & I sub-committee
- h. Literature co-chair: elected within the H & I sub-committee
- i. Meeting Sponsor: elected within the H & I sub-committee

MIDCOAST AREA POLICY UP TO AND INCLUDING SEPTEMBER 2019

Trusted Servants:

Chairperson: The chairperson of this sub-committee is elected by the group conscience of the area service committee as outlined in its guidelines. The H & I sub-committee is directly responsible to the A.S.C. (area service committee) through the chairperson. The H & I chairperson should attend all sub-committee, A.S.C. and regional meetings. The chairperson should have a minimum of two years abstinence from all drugs and a strong working knowledge of the 12 steps, 12 traditions and 12 concepts of Narcotics Anonymous. To submit budget to Admin by September ASC.

Vice-chairperson: The vice-chairperson is to have a suggested one year abstinence from all drugs with a nine month minimum. It is also suggested that she/he have a working knowledge of the 12 steps, 12 traditions and 12 concepts of Narcotics Anonymous. The vice-chair is to assume the duties of the chairperson if the chairperson is unable to serve and works with the chairperson to maintain a smooth operation of this sub-committee. The vice-chair must attend all H & I sub-committee meetings, and is suggested to attend all A.S.C. meetings.

Secretary: The secretary is to keep accurate minutes of all sub-committee meetings and have at least six months abstinence from all drugs. To send out H&I subcommittee minutes, meeting roster, and willingness to serve list before the first of the month.

Literature chair: The literature chair is responsible for keeping a stock of literature necessary for H & I meetings in this area. She/he is also responsible for a financial report of all literature used by the sub-committee. The literature chairperson is to have minimum three months abstinence with a suggested six months abstinence from all drugs.

Literature from the Midcoast H&I subcommittee is only provided to facilities that have no access to outside meetings. Facilities that bring their clients to regularly scheduled NA meetings are only provided with meeting lists. Breakdown of the amount of literature and how much of each piece will be at the discretion of the H&I subcommittee.

Meeting sponsor: The meeting sponsor is elected by the H&I sub-committee with a one year term and a two year cap. A member must have attended this current H&I subcommittee meeting and the previous months H&I subcommittee meeting to become a meeting sponsor. A meeting sponsor must have a minimum 9 months clean from all drugs and it is suggested that she/he have a working knowledge of the 12 steps, 12 traditions and 12 concepts of Narcotics Anonymous. She/he must attend all regular H&I subcommittee meetings. If a meeting chair fails to attend the subcommittee or contact the H&I Chair for two months in a row their commitment will be added back to the meeting roster as open and be available to all other subcommittee members. The meeting sponsor is responsible to make sure the meeting takes place when and where it is supposed to and selects a speaker with a minimum of six months clean from all drugs with a clear message of Narcotics Anonymous. If a meeting sponsor is not able to cover their commitment at a facility it is their responsibility to call, and find another member/meeting sponsor of the H&I sub-committee to cover their meeting. If there is not another member available please call the facility to make them aware that there will not be a scheduled meeting. All numbers of members and facilities are enclosed within the minutes given out monthly at the sub-committee meetings.

MIDCOAST AREA POLICY UP TO AND INCLUDING SEPTEMBER 2019

The meeting sponsor also makes sure all policies of the H&I sub-committee, the A.S.C., and the facility are complied with and maintains a channel of communication with the H&I chairperson, and the facilities contact person, letting them know of any problems that may arise. Any meeting sponsor can be removed by group consensus of the sub-committee at any time.

Panel Members: All Panel Members must attend H&I orientation and must pick up the panel commitment at the H&I subcommittee meeting no exceptions. We encourage monthly attendance to the subcommittee meeting, Panel members are required to maintain contact either their meeting sponsor and call them when they cannot attend their assigned presentation, they must also only enter facility when escorted by their meeting sponsor. If they do not keep in regular contact with meeting sponsor they will be replaced at the next month's subcommittee meeting. Panel member commitment is a month to month commitment with no term limits, clean time requirements are H&I policy and in some cases determined by the facility.

Personal Commitment to H&I

Commitment means many different things to many different people some of these definitions may include these simple words: duty, dedication, pledge, promise, devotion, obligation, responsibility, and guarantee. The principle of commitment is one that has been taught to us by the Twelve Steps of Narcotics Anonymous. Hospitals and Institutions work requires that we as individuals practice this principle faithfully.

Often times an H&I presentation provides the first exposure to recovery in NA for many addicts. Our panels may also be the only contact that these addicts receive with our program on a weekly basis. It is important that we realize that the suffering addict in the facilities we serve may depend on us for the only message of recovery they get. For this reason we ask that you not volunteer for an H&I meeting if you are not sure you will be able to attend. If you do volunteer, make sure that you fulfill your commitment. None of us as individuals has the right to cancel an H&I meeting. By making the choice to attend a panel, we must realize that we may have to forgo activities that we might prefer.

The consequences of choosing not to attend and fulfill our commitments are that we let down the addict who still suffers, the facilities we serve, the reputation of NA, and our own personal program of recovery. Remember that the "purpose of an H&I Subcommittee is to carry the N.A. message of recovery to addicts who do not have full access to regular Narcotics Anonymous meetings", when we drop the ball and do not fulfill our commitment we send a complete opposite message to both the addict and the facility. This message is one of indifference and intolerance. The message conveyed is that NA does not care!

Commitment to the Language of Recovery

Commitment to the language of recovery in our meetings is also an important issue. In order to remain consistent with our traditions, and to insure that the message we carry is a clear consistent message of recovery in NA, we refer to ourselves simply as "addicts", not "drug addicts", not "addicts and alcoholics", not "dually addicted", not "junkies", or "dope fiends", just as "addicts"! We refer to our time in the Program as "clean", "clean time" or "recovery", not "sobriety", not "clean and sober", just "clean", "clean time" or "recovery"! A mixed message is a confusing message. If this is something that you feel you can not do, then maybe you are not suited for H&I service in NA.

Commitment to Represent N.A.

As H&I volunteers we must remember that when we attend an H&I meeting we are viewed as examples or representatives of NA. The Fellowship as a whole may be judged on how we conduct ourselves. Common courtesy is essential! Therefore, we should arrive to the facility early. We should start and end the meeting on time. We should respect the dress code of the facility as well as recommendations made in the H&I handbook and our Area's orientation. We should treat everyone we meet staff, patients, inmates, guests with respect. Our actions in these facilities will reflect on NA as a whole and will also carry a message of recovery.

Commitment to the Sub-Committee

The H&I Sub-committee in our Area can be a really effective tool when we all help. One of the reasons it exists is to keep an open line of communication between NA as a whole and the facilities we serve. More importantly, at the Sub-committee, we can share our experience, strength and hope, and help each other to get through problems we may encounter in carrying the message. This will allow us to grow and prosper. Without this commitment, without our members from the panel member on up attending the Sub-committee meetings, the message of NA is lost and the Sub-committee loses its effectiveness. All of the steps of NA include "we" for a big reason. Together we can do a great job but when individuals try to carry the load of the H&I Sub-committee the downward spiral begins.

Commitment to Service

The Basic Text of NA tells us that "Good will is best exemplified in service: proper service is doing the right thing for the right reason. When good will supports and motivates both the individual and the Fellowship, we are fully whole and wholly free." Proper service is a cornerstone of our personal programs. When we apply this principle of commitment to our lives it is our experience that we grow spiritually and mentally. Sometimes we may feel that our work in H&I is futile. That it just isn't working. However, that will change when you are sitting in a meeting some day and an addict comes rushing up to meet you and to say thank you for bringing them the message. If we can touch one life with our panels then we have done our jobs. Above and beyond we "keep what we have by giving it away". H&I service will help keep us clean.

Do's and Don'ts

- Do make directories of outside meetings available to residents.
- Do clarify the facility's rules with anyone you bring in.
- Do try to get all agreements with the facility in writing.
- Do Start and end on time!
- Do briefly explain what H&I is.
- Do Make it clear that N.A. is separate and distinct from the facility as well as other fellowships.
- Do try to get residents involved, especially those in long-term facilities (literature person, readings, coffee maker, etc.)
- Do obey all dress codes. Exercise common sense and dress appropriately.
- Do keep staff aware of your whereabouts at all times.
- Do stamp ail literature you bring into a facility with the local helpline number.
- Do Screen all panel members carefully, especially regarding their clean time.
- Do explain the language that we use ("addict," "clean." "recovery") and why

MIDCOAST AREA POLICY UP TO AND INCLUDING SEPTEMBER 2019

we use it (the First Step of NA and Sixth Tradition of N.A.)

Do emphasize that in N.A., recovery is available to any addict, regardless of "type" of drug(s) used.

Do emphasize the importance of getting to an N.A. meeting the first day out.

Do Emphasize the importance of getting a sponsor and a home group, the ongoing nature of recovery, and the importance of attending meetings (suggest ninety meetings in ninety days.)

Use the literature recommended for H&I work, if we are supplying the literature. Encourage the treatment centers to supply NA. literature on their own if at all possible.

Do be selective about who you choose to take into H&I meetings. Clean time requirements are very important. People who sit on N.A. panels should be able to share a message of recovery in Narcotics Anonymous.

Do Remember that this is a "we" program. No addict should feel that he/she is being preached to.

Do remember that an addict is an addict, regardless of age.

Do tell them that there is fun in recovery, i.e., social events, fellowship, etc.

Do Acknowledge and validate their feelings and emotions.

Do Acknowledge and validate their clean time.

Don't Glorify your past.

Don't Say, "I feel like I'm talking to my kids."

Don't compare your bottom to theirs.

Don't patronize adolescents.

Don't Use profanity and vulgar stories.

Don't discuss the rules, regulations or policies of the facility at any time during your sharing or afterwards.

Don't give out your phone number at any facility.

Who is best suited to carry The Message in an H&I Setting?

Anyone with a clear and consistent Narcotics Anonymous message who is willing to share is well suited for H&I work. An H&I meeting provides the first exposure to recovery in Narcotics Anonymous for many addicts, so it is imperative that we carry a clear and consistent message of Narcotics Anonymous recovery and project a positive image of our fellowship. The fellowship as a whole may be judged on how we conduct ourselves. In our experience it is best for members to have three months clean before attending an H&I meeting, and six months clean before speaking at one.

A large majority of the facilities where our H&I subcommittees provide an H&I presentation have other Twelve Step fellowships providing meetings as well. Clients and/or inmates will hear a variety of recovery messages, hopefully singular to the individual fellowship's primary purpose. Other Twelve Step fellowships do not need our assistance in carrying their message. References to other fellowships and their literature, while using language associated with other fellowships may lead one to believe that the only way an addict can recover is to attend all Twelve Step fellowships. As a fellowship, we need to allow the addicts we may come in contact with the opportunity to choose for themselves which fellowship is best suited for them. Any fellowship utilizing Twelve Step recovery has a set of Traditions. The Fellowship of Narcotics Anonymous, as directed by our Fifth Tradition, has but one primary purpose. Our primary purpose is to carry the message to the addict who still suffers. Unity is one of our greatest strengths in carrying the message. Unity of purpose keeps our focus in carrying the message. What is the message that we are asked to carry? That an addict, any addict can stop using drugs, lose the desire to use, find a new way to live, and that the freedom of recovery today can be theirs also.

Suggested Guidelines for Speakers at H&I Meetings

So, you've just been asked and accepted an invitation to share at a treatment center', and you're not quite sure how to go about it. Below are some helpful suggestions and information that will help you to be sure that you are sharing the N.A. way. Simply: "What has-NA-done-for me?"

Simple, isn't it? So, basically just go ahead and share your gift of recovery, but here are some things you might consider:

1. The theme implies what NA has done for us, and in keeping with our Sixth Tradition, this compels us to "specialize" our sharing, therefore we do not share what another twelve step program has done for us. If you can't or won't comply with this theme for whatever reason, it is important that you simply decline your invitation to the appropriate chairperson.
2. The same holds true because it is crucial that if you share the N.A. way, you use N.A. language. We are not "sober," and we are not "clean and sober," we are clean, period. We are "addicts" and we share "recovery." (Incidentally, every chairperson should have a copy of the H&I handbook which includes a list of do's and don'ts at treatment centers. Please feel free to ask them about the wealth of information the handbook contains).
3. Remember, we are sharing a message of recovery and that we live in the solution from active addiction. We need not put too much focus while sharing on what life was like for us before coming to NA. In other words, let's focus more on the strength and hope side of our experience with life. And let's focus on feelings, not events.
4. Stress some, or all, of these suggestions while you share:
 1. Ninety meetings in ninety days
 2. Keep coming back
 3. Importance of sponsorship
 4. Going to a meeting the first day out of treatment
 5. Getting and using phone numbers
 6. H.O.W. (honesty, open-mindedness and willingness)
 7. You don't have to use today, NO MATTER WHAT.
 8. N.A. only promise; freedom from active addiction.
 9. The Twelve Steps of NA

Relax and enjoy the fact that we are privileged to share the gift of recovery to the addict who is still, at this very moment, suffering. - Have some fun.

H & I Meeting Format (please stick to this format)

1. Introduce yourself as an addict and open the meeting with a moment of silence followed by the serenity prayer.
2. Welcome everyone to Narcotics Anonymous and briefly explain that "This is a Narcotics Anonymous Hospitals and Institutions meeting and the purpose is to introduce you to the N.A. program. N.A. is not affiliated with this institution/facility. We are not therapist or cops and we do not get paid for being here. We are only addicts in recovery letting you know that there is a way to stay clean on the outside.
3. It is customary to have a go around and introduce ourselves by our first names. If this is anyone's first N.A. meeting, or attending this meeting for the first time we would like to extend a special welcome.
4. It costs nothing to belong to this Fellowship; you are a member when you say you are.
5. I have asked someone to read: (Get everyone involved by asking them to read)

MIDCOAST AREA POLICY UP TO AND INCLUDING SEPTEMBER 2019

10. Who is an Addict?
11. What is the N.A. Program?
12. Why are we here?
13. How it Works.
6. Briefly explain that you have invited an addict to share his/her experience with the N.A. program and then there will be time for discussion and questions after.
7. Explain suggestions for the newcomers:
 14. Go to 90 meetings in 90 days
 15. Get a sponsor to work the steps with
 16. Get and use other addicts phone numbers
 17. Keep coming back and don't pick up no matter what

16-HELPLINE SUBCOMMITTEE

Purpose

Our primary purpose is to stay clean and carry the message of recovery to the addict who still suffers. By far, the best way to make us available to those who need help is to provide a "HELPLINE" phone service, where someone can call and talk anonymously to a recovering addict.

Our phonenumber is (561) 393-0303 and is readily available in phone directories, meeting lists, etc. We give out information about Narcotics Anonymous, answer basic questions, provide meeting locations and times, and in an emergency refer calls to an appropriate agency (911, crisis lines, etc.).

Trusted Servants

The helpline subcommittee is made up of the following trusted servants and members whose responsibilities and qualifications are as follows:

Chairperson

1. Two (2) years clean time.
2. One (1) year Helpline experience.
3. Sees that all shifts are covered and is responsible for the first back-up beeper.
4. Must attend ASC and RSC meetings.
5. To submit budget to Admin by September ASC

Vice Chairperson

1. One (1) year clean time.
2. Six (6) months Helpline experience.

MIDCOAST AREA POLICY UP TO AND INCLUDING SEPTEMBER 2019

3. Acts as chairperson in the Chairperson's absence.

Phoneline Volunteers

1. One (1) year clean time to carry a beeper.
2. Gives out information about NA, answers basic questions, provides meeting locations and times, etc.
3. Must attend subcommittee meetings. Shift people who miss two (2) consecutive shifts and/or sub-committee meetings, and fail to check in with either the helpline chair or helpline vice-chair, the sub-committee may choose to vote them out of their shift.
4. Phoneline volunteers should have experience with Narcotics Anonymous 12 Traditions. Our first responsibility is to get the addict to a meeting. In the event the caller asks for more information, we should refer to the "The Little White Book", and give the following information:

NA World Service – Na.org

Naranon – 561-541-3858 (do not endorse any other 12 step fellowships, but since we have the information available to us, we can make it available to you.)

Crisis Line - 211

17-LITERATURE REVIEW SUBCOMMITTEE

The Literature Review Subcommittee is responsible for coordinating workshops for review and input of new literature and keeping abreast of all new literature coming from the World level and sending our Area's group conscience back to the World Literature Committee.

Responsibilities of Trusted Servants

Chairperson: The chairperson is responsible for communicating with other trusted servants and members of the subcommittee to ensure continuity of effort. The Chairperson schedules and sets up regular meetings, including times, dates, and locations, and directs the focus of the meeting. In addition, the chairperson is responsible for making regular reports to the appropriate service committee (Area or Regional) and serving as a liaison between the WSC Literature Committee and the members of the area or region. To submit budget to Admin by September ASC

The Chairperson of a Regional Literature Committee may participate as a general member of the WSC Literature Committee in addition to the duties listed above. (See section 2 of the WSC Literature Committee guidelines.) The chairperson of an Area Literature Committee is likewise encouraged to participate in the Regional Literature Committee.

Vice Chairperson: The Vice-Chairperson assists the Chairperson in all duties relating to literature work. The Vice Chairperson is a key figure in the structure of any literature committee and acts as the Chairperson if, for any reason, the Chairperson is unable to attend Literature Committee meetings or fulfill the responsibilities of the position. The Vice-Chairperson should maintain close contact with the Chairperson and assist in the administration of Literature Committee functions. As with other trusted servants and

MIDCOAST AREA POLICY UP TO AND INCLUDING SEPTEMBER 2019

members of the Literature Committee, the Vice-Chairperson should attend all meetings of the committee.

Secretary: The Secretary records minutes of the Literature Committee and distributes these minutes to the participants of the meeting. Consistency in getting the minutes out on time is an important part of communication within the committee. This helps the committee by reducing the need to go over agenda items after a consensus has been reached. Depending on which is more convenient, the Chairperson or Secretary maintains an active file of works in progress. They may, of course, recruit other members to assist in the performance of clerical duties.

A clear understanding of the duties of each of these trusted servants is fundamental to a working subcommittee. Literature Committee members and trusted servants always should be drawn from active NA members who attend NA meetings regularly. The time and resources to do the job and an understanding of the 12 Steps and 12 Traditions of NA are also very important requirements for these and other service positions in the Literature Committee. For more complete information on the duties of trusted servants, ask the WSO for a sample packet of guidelines for Area and Regional Literature Committees. From the information in this packet, you can find a committee structure, which is best, suited to your committee.

19-VOTING AND MOTION PROCEDURES

- A. Motions; may be made and seconded only by voting members
 - 3. Voting;
 - 1.voting members of the subcommittee shall be all lit. Rev. Members w/the exception of the chair who have participated for 3 consecutive meetings.

 - 3.quorum shall be simple majority of the voting members once established it stays throughout the meeting.
 - 4.any member failing to attend 2 consecutive meetings loses their voting privileges.

Literature Committee Meetings

Literature Committee meetings are generally opened with a moment of silent meditation followed by the Serenity Prayer. Roll is taken. The minutes of the last meeting are read, amended if needed, and approved. To set the tone of the meeting, the Chairperson presents the agenda and reports on literature activities. There are usually review form drafts of works in progress to be read and developed. Work from the previous committee meeting should be reviewed at each meeting and continued until the project is completed. It is important to maintain an atmosphere of recovery, practice our spiritual principles, and invite a loving God of our understanding into the process. When we do this, not only do we complete our business and provide the services requested of us, we also grow together. These general guidelines hold true for every literature committee function. For further information on literature workshops, refer to the section entitled "Procedures for Literature Workshops".

In the beginning, some time may have to be spent informing members about the intent and purpose of a Literature Committee. Hopefully, this handbook will eliminate the need for expensive preoccupation with the business aspects of our literature committees, although a certain amount of time necessarily will be spent on business discussions. This may be particularly true when the committee maintains a literature stockpile.

MIDCOAST AREA POLICY UP TO AND INCLUDING SEPTEMBER 2019

All input generated by members is eventually submitted to the WSC Literature Committee. Individual input is submitted to the area, area input is submitted to the region, and regional input is submitted to the WSC Literature Committee. At any stage, input can be directly submitted to the WSCLC when the next level of the service structure does not exist. For example, when there is no Area Literature Committee, members should submit input to the Regional Literature Committee. New material should always include a copyright release form.

Before ending the meeting, members should be informed of the time, date and location of the next meeting. It is customary to close with a prayer.

Procedure for Literature Workshops

Introduction

The unique process that the fellowship has created for the development of NA literature places a responsibility on Area and Regional Literature Committees to provide the forum where our members can review and prepare input to Narcotics Anonymous literature. No individual or committee need undertake this process alone; communication and consultation with other members is essential. Together we can do what alone is impossible.

It is important to remember that members and committees who contribute material need to "let go" and relinquish it unconditionally. When we complete a piece, we need to surrender it. This can be difficult, because of pride and the emotional attachment we often develop for a piece on which we work. We trust in our Higher Power, the fellowship of Narcotics Anonymous, and our literature development process.

Preliminary Planning

1. Secure a meeting space large enough and accessible to the fellowship. Adequate working space and equipment is necessary. This may include tables, chairs, paper, pens coffee, and possibly a computer.
2. Plan the date far enough in advance that others may attend.
3. Send out flyers announcing date, time, and location.
4. Copies of the review form literature will need to be available.
5. Schedule the workshop around other activities, in order to attract members' attendance.
6. Personal attention is often the best way to get people to come to the workshop. Invite your friends in the fellowship and home group members.
7. When making announcements, talk about the topics to be written on, and the importance of getting members to share their experience and understanding on these topics. Stress our literature development process and the need for our members to be involved.

Workshop Structure

The area or regional literature committee generally conducts the workshop. If the attendance is large enough, the Chairperson may divide the group into small working groups of

MIDCOAST AREA POLICY UP TO AND INCLUDING SEPTEMBER 2019

four or five people. An experienced member is usually appointed to chair each group, and a volunteer usually acts as secretary to record all changes and input which the working group makes.

At the start of the workshop, the Chairperson should open with a prayer to invite a loving God into the process. Allow all members to introduce themselves. After introductions, the chair should encourage all members to feel free and uninhibited in expressing their thoughts, feelings, and experiences on the material that is before them. Everyone should be reminded to respect each other's views. In developing literature, experience is shared not pushed. The principle of letting go is very important. Remember that we try to practice these principles in all of our affairs.

The group chairperson keeps the work flowing by reminding the group to focus on the main issues or ideas, and on one topic at a time. If debate drags on, the issue may be delayed until later. The group secretary records and organizes all changes and input so that the workshop secretary may compile it easily. It is important to use WSC Literature Committee input sheets. These sheets make it easier for others to use and understand the input material.

Review-Form Workshops

It is recommended that groups be limited to four or five people and a secretary. A workshop may contain several such small groups. Special attention should be paid to the following: flow, content, redundancies, and material that are missing on the topic.

Some questions to ask when evaluating literature are:

1. Are all the important ideas on the topic included in the piece?
2. What needs to be clarified, expanded, or condensed?
3. Are any areas of the piece in conflict with our steps or traditions?
4. Does other NA literature cover this topic or does it duplicate another piece of conference-approved literature?

Be sure that the material includes an introduction, body, and summary. Sometimes, moving a sentence or paragraph to a more appropriate position can result in greater clarity of the material.

Flow reading has proven effective in reviewing literature. Each member holds a copy of the material. Someone reads the material with no interruptions, while other members note desired changes on their copies. Avoid getting bogged down with grammar and punctuation at this point. Someone reads through the material again slowly. Discuss the changes noted during the previous reading. Limit the discussion to actual notes made during the reading. This helps to improve the material without being over analytical.

When the need arises for original written material on a topic that is not covered, a volunteer from the group might be sought. The group should first share its thoughts and experiences on what should be included on the topic. It is important to take clear notes on this so that the volunteer writer may accurately represent in writing what the group is saying. Then one or two volunteer members go somewhere alone and draft the material. We have found that it is next to impossible to write as a committee and that one or two members writing on their own is more productive.

MIDCOAST AREA POLICY UP TO AND INCLUDING SEPTEMBER 2019

This draft is returned to the group and flow read, and any additions or deletions are made. The process of flow reading and discussion continues until the group is satisfied with the draft. The priority for editing should be grammar, punctuation, and finishing touches. If someone in the group has editing and grammar skills, great! Clean the piece up as best you can. If not, don't get too bogged down with the editing. When your material is submitted to the WSC Literature Committee, it will be evaluated and edited before final distribution.

In large workshops where many groups are involved, the completed drafts are taken to the full workshop group and the flow reading process is repeated until the larger group is satisfied with the draft. Experience has shown that a larger group can more accurately represent the needs and views of NA as a whole.

Approval-Form Workshops

Approval-form literature is literature that has been developed through the literature review and input process to a completed form. Literature in the approval-form is either accepted or rejected as NA conference-approved literature by the WSC (see Section 10, WSC Literature Committee guidelines). Since this literature is distributed for final consideration, not for input, a workshop on this literature should reflect this difference. Normally, this type of workshop is for the purpose of offering members the opportunity to evaluate the piece, so that they make a decision on whether to vote to approve the piece when their home group decides questions on the conference agenda.

The following are some basic suggestions that help us in evaluating an approval-form piece:

1. Will this piece of literature be a helpful tool to aid our groups in fulfilling our primary purpose?
2. Is there material in this piece that is in conflict with our basic philosophy of Narcotics Anonymous, as expressed in our 12 Steps and 12 Traditions?
3. Do the positive aspects of the piece outweigh certain shortcomings?
4. Overall, is the item acceptable or unacceptable?

When considering a piece of literature up for approval at your home group, if you feel it has major problems, vote no. If you feel the item is great with no problems, vote yes. If you feel the item is in basically good shape but you would like to make some minor comments, changes, or recommendations, you may still choose to vote yes and send your comments directly to the WSC Literature Committee. All input on approved literature is filed and considered as provided for in the literature development process. Do not send changes on approval-form literature with your regional service representative to the WSC, with the thought that changes have to be made before you can vote yes. If you feel the piece has problems that are unacceptable, you must simply vote no. Any changes considered at the conference would not have the benefit of review by the entire fellowship.

Developing New Literature

It seems that every year, new topics on recovery spring up within the fellowship, and members wish to write literature on them. Our literature development process does not discourage members from writing their experience and understanding. To do so would rob all of us of experiences and understandings that could help us in our recovery.

MIDCOAST AREA POLICY UP TO AND INCLUDING SEPTEMBER 2019

If, as a member or group, you feel a strong need to write a new original piece of literature, it is very important to get in touch with the WSC Literature Committee. There are several reasons for this, one of which is to see that members' efforts and time are not wasted on a topic that is in conflict with our steps and traditions. Also, the WSC Literature Committee will be able to guide you in developing your new piece of literature within our literature development process. We understand you may feel that the need to write on this topic is more important than the need to write on the pieces that the fellowship is currently developing. In making your decision to write on a topic, we ask that you take into consideration the importance of the current pieces of literature that the fellowship has set priorities to develop. (See Appendix #5 for outline on developing new literature.)

In the event that an item of literature becomes unapproved or the fellowship or WSO for whatever reason decides that it should be removed from inventory, the Chairperson will make an effort to return those items to the RSO for a refund or credit. If an offer to return the items is not accepted, those items will be thrown away. In no event will unapproved items of literature be sold or distributed.
 15. The Literature Distribution budget attempts to address projected expenses for purchasing literature for groups and subcommittees but literature orders may go over budget according to group literature donations and orders.

AD HOC COMMITTEES

Ad hoc committees are set up for specific purposes and have limited lives. When they have finished their jobs, they are disbanded. In creating an ad hoc committee, the ASC should clearly specify what the committee's purpose will be, what authority and resources it will be given, and how long it should take to complete the job. Then the area chair may appoint either the entire ad hoc committee or just a chairperson who will put the ad hoc committee together later. Once the ad hoc committee's work is completed, the committee is dissolved.

All convention committee meetings shall take place at a regularly scheduled time and place and follow the current edition of "Robert's Rules of Order". The purpose of these meetings is to gather and share information regarding planning and carrying out of the convention. Subcommittee meetings will be held monthly, at minimum, and more often as the individual subcommittee deems appropriate to complete their assigned tasks and meet deadlines.

Host committee meetings are open to anyone and efforts should be made to encourage support including participation from all members. All host committee meetings are open to NA members and they do have a voice on the floor. To be recognized on the floor, a raise of the hand is necessary

No members of the host committee are any different from or better than any other NA members. All host committee members will pay their own expenses in full. This includes registration, banquet and any merchandise. They will also pay their own way into all fundraisers for the convention. No host committee member will

MIDCOAST AREA POLICY UP TO AND INCLUDING SEPTEMBER 2019

accept a free hotel room as a result of the hotel contract. The host committee as a whole may use a complimentary (comp) room for their committee meetings during the convention.

The first responsibility of the host committee is the selection of the theme and logo. After this is accomplished work should be started on a registration flyer.

20-Executive Committee- MCCNA

The Executive Committee consists of the Area elect members of the Host Committee, Secretary and the Subcommittee Chairs. The Executive Committee will meet just prior to each Host Committee meeting. The Executive Committee prepares a report for the Chair to distribute monthly to MSASC for distribution in the minutes. The Executive Committee may not make binding decisions on behalf of the host committee. The Executive Committee may make recommendations for the host committee to vote on. The Executive Committee will arrange a date to meet prior to the November ASC to prepare a draft of the schedule of meeting dates for the Host Committee’s approval, prepare an agenda for the first Host Committee’s meeting and announces a date and time of the first Host Committee meeting on the floor of the November ASC so that the area may be invited to participate in the new Host Committee.

SUBCOMMITTEES-MCCNA

Subcommittee Chairpersons are elected by the voting members of the host committee, with the exception of Hotels and Hospitality Chair / Hotel Liaison. Subcommittees are vital to the convention and individuals should expect to be replaced if they are unable to serve for any reason. Cooperation between the subcommittees is essential.

Each subcommittee has only one chairperson, who then recruits committee members including any co-chairs required. Each subcommittee chairperson shall be aware of what responsibility each member has assumed and make sure that every task assigned is carried out. All subcommittee actions are subject to the approval of the entire convention committee.

Subcommittee meetings operate in accordance with Robert’s Rules of Order to insure that meetings run smoothly and that business is conducted in an orderly fashion. All subcommittee chairs must submit a typed report to the secretary of the host committee monthly for inclusion in the minutes. The report must include copies of all receipts for expenditures and any financial reports. Subcommittees shall maintain accurate records of the activities of the committee as well as all correspondence and financial reports, including needs, expenditures and receipts.

All subcommittees must submit a budget to the treasurer within thirty days of the election of a subcommittee chair. This is to insure that the host committee has enough time to incorporate your needs into the overall budget. You must adhere to your budget as closely as possible during the planning period and inform the host committee if any unanticipated items arise that will require a deviation from said budget.

Convention Information Subcommittee-MCCNA

Requirements for **Convention Information Chair**: Minimum (2) years clean time. One-year prior convention or Public Information Subcommittee experience. Prior public relations experience should be considered. A working knowledge of the 12 Traditions.

Requirements for **Convention Information Vice-Chair**: Minimum (1) year clean time; A working knowledge of the 12 Traditions.

The convention information (CI) Subcommittee may actually be considered a two-part Committee. The committee serves the purpose of providing information about the convention to both NA members and certain nonmembers. CI members must have a thorough knowledge of the Twelve Traditions as they relate to public relations and personal anonymity. Information provided by CI may include a description of the planned event, dates, locations and other pertinent information. All information must be up to date and accurate.

There shall be no reason to promote the convention. It is however the duties of the CI Subcommittee to communicate to all concerned persons and agencies about the coming events and encourage their participation. This shall be done in the spirit of providing information rather than promoting NA.

The duties of CI are outlined as follows:

(For the specifics of carrying out these tasks please refer to your copy of the Convention Guidelines WSO publication #2108.)

Within the Fellowship:

1. Preparation and distribution of flyers, programs, and maps of the area if necessary.

Outside the Fellowship:

2. Pre-Convention informational activities of the CI Subcommittee's activities shall be extended to only those hospitals, treatment centers and similar agencies, which provide direct service to addicts. The H & I Subcommittee shall be contacted for this information. If the treatment centers are residential, a request should be made to the facility for information regarding the number of residents they expect to attend well in advance. If any facilities

MIDCOAST AREA POLICY UP TO AND INCLUDING SEPTEMBER 2019

plan to bring residents for a specific meeting or convention event, but cannot afford the registration fee for the whole convention for each individual, it is acceptable to take a donation for the amount they can afford if it is made directly to MCCNA to be counted in the convention proceeds. This information will be turned over to the Registration Subcommittee. (In the past SFRONA scheduled attendance of residential treatment centers so that some brought their residents to the Saturday meeting and others brought them to the Friday meeting so that no single meeting was overloaded)

3. The PI Subcommittee shall also be contacted for addresses of other agencies that have direct contact with addicts. A short cover letter should be included with the convention flyers or other information being mailed.
4. The CI Subcommittee shall have a press packet prepared and available at the registration desk in case a reporter or other member of the media shows up. All members staffing the registration desk shall be informed that if a reporter inquires they should give him/her a press packet and immediately direct the reporter to a member of the CI Subcommittee. The PI Subcommittee shall be asked to help put together the press packet and for information regarding dealing with non-addicts.

Exception to this would include mapping utilities or documents created for download or viewing. A disclaimer must be on each page where they are used stating that NA is not affiliated with the website or company.
6. Any changes to, additions to, or deletions from the website shall be approved by the MCCNA Executive committee.
7. MCCNA meeting minutes, if hosted on the website, must be kept private through password protection.

Programming Subcommittee-MCCNA

A speaker or workshop Chairperson at a convention shares his/her personal experience of recovery in Narcotics Anonymous.
6. The Program Committee will obtain three (3) bids for taping. Host committee will make the final determination.
7. In the event of no-shows (people who do not call when they are unable to attend), the Program Committee shall have a pool of members available from which to select replacements.

At no time will a MCCNA workshop cover topics related to specific illnesses, other than addiction or cover a topic that is clearly an outside issue.

Demonstrated trustworthiness, especially where funds are concerned.

This subcommittee is responsible for planning and implementing fundraisers and entertaining during the convention. New members not familiar with the 12 Traditions may be confused by the concept of "Fundraising" in NA because it so unlike the kind of Fundraising done in other organizations, even non-profit ones.

The purpose is to raise funds and at the same time have fun. To do this one should try to keep expenses down. Elaborate and expensive decorations are not necessary for our members to have a good time. We have a good time just being among each other in a festive place.

The Host Committee should purchase all items selected by the Merchandising Subcommittee outright.

Registration Subcommittee-MCCNA

Requirements for **Registration Chair**: Two (2) years clean time; Good organizational skills; Infinite patience.

Duties of the Registration Subcommittee:

Usually the first people Convention attendees meet are those members manning the registration tables. How well they are greeted in many ways sets the tone for how well the Convention comes off. Smooth, prompt, orderly and hospitable service is key ingredients to successful registrations. Therefore, organization and planning by the Committee is very important.

1. Creation and distribution of flyers and forms, including mailing to previous MCCNA registrants. Care should be exercised in the production of flyers and registration forms. They should be clear and informative, not confusing. Flyers should be attractive but need not be ornate or expensive. Once approved by the Host Committee, this flyer information shall be sent to the WSO so the convention can be mentioned in the Newslines and NA Way. The flyer shall be posted on the MidCoast website.
2. Retrieval, recording and confirmation of registrations.
3. Design, ordering and creation of registration packets, tickets and committee ribbons. The Host Committee as a whole shall determine the amount of money that should be spent on each packet based on approved budget. The packet should include programs, envelopes, badges, tickets, small trinkets, ribbons and anything else the Committee wishes to put in the packets.
4. Attendance at all fundraisers and convention to sell registrations.
5. From past experience it is suggested that a minimum order of 5000 flyers be purchased for the first printed.

Advanced Planning:

The advanced planning of the committee includes drafting flyers and forms, which must be done well in advance (at least seven or eight months prior) or to the convention date in order to allow sufficient time for review by the host committee. The mailing schedule for

MIDCOAST AREA POLICY UP TO AND INCLUDING SEPTEMBER 2019

flyers and pre-registration forms will be established at this time. Development of the flyers shall be a cooperative effort between Registration and the merchandising and graphics committee. Once the registration flyer is approved by the host committee, this needs to be distributed at MCASC to GSR's and subcommittee chairs and at SFR to all RCM's and regional subcommittee chairs throughout the state and all out of state contacts. The first flyer announcing the convention would be made as soon as the dates are established, and a contract or agreement is reached with the hotel.

A clear understanding shall be reached between the registration committee, the host committee and host treasurer on the procedures for handling money and registrations. The Host Chair and Host Treasurer shall be assigned the responsibility of picking up registrations from the PO Box once a week. Registration form records in the form of a payment receipt shall be maintained on a weekly basis and all monies received transferred to the treasurer prior to the host committee meeting. All monies shall be deposited into the MCCNA Account within 72 hours.

As each registration is received by mail, or direct sale, a record should be made indicating information about the registrant and all money received. If free registrations are given out at fundraisers, the Committee must keep careful records of what is provided and to whom.

A record system must be established to record and send receipts to all pre-registrants. A record of registrations, banquets, and clean time must be kept. As each mailed registration is received, a confirmation card is sent to the registrant. Sending confirmation cards for registrants, which are received after the announced cut off date. The cut off date for pre-registration is included on the flyer.

Final preparation for the Convention includes buying all supplies for the registration table, assembling packets, ordering banquet & dance tickets and committee ribbons, and having all records of pre-registrations up-to-date. Dance tickets will be put in every full pay registration package and indigents will only receive a button and program. All those without dance tickets must pay at the door. A number of indigent packets must be made for NA member who cannot afford to register. **NO PERSON SHOULD BE TURNED AWAY.**

The Host Committee will make a schedule for every night of the Convention that will ensure that at least two (2) Host Committee members (Chairpersons) will be on duty until 2:00 AM every night of the Convention.

Marathon

The purpose of this Committee is to offer any Convention registrant a non-topic open meeting in which he/she may participate throughout the Convention. The objective of the Committee before the Convention is to solicit people to Chairperson marathon meetings. During the Convention this Committee is responsible for keeping the meetings running smoothly.

The Marathon Committee can select the format for the marathon meetings although experience has shown that the best format seems to be opening the meeting at the beginning of the Convention with any necessary readings, and then having the Chairperson open the meeting up for discussion. Subsequent Chairperson will then only introduce themselves and carry on the discussion-taking place at the time. This is in contrast to

MIDCOAST AREA POLICY UP TO AND INCLUDING SEPTEMBER 2019

each Chairperson opening and closing separate meetings. If needed, they suggest topics. As typical in the marathon room, most people bring their own topics.

Serenity Keepers

The purpose of the NASP (Narcotics Anonymous Serenity Patrol) Subcommittee is to maintain an atmosphere of recovery and respect for the facility in which the convention is held. Also the subcommittee's function is to ensure that limited person and property damage occurs. The NASP subcommittee functions as a liaison between the MCCNA host committee and the facility where the convention is held. The NASP subcommittee of MCCNA shall hold separate and periodic and special subcommittee meetings at the chairperson's discretion. As soon as possible, the chairperson will draft a flyer to announce to the fellowship the forming of the subcommittee and the regularly scheduled meeting dates. Copies of the flyer should be distributed to all groups and the ASC of the MidCoast area. The subcommittee conducts its activities within the scope of the budget authorized by the MCCNA Convention Committee.

Serenity Chair Requirements: A willingness to serve, service experience, two (2) years abstinence from all drugs, leadership ability, ability to communicate, to attend all MCCNA host committee meetings and ability to organize.
